

Child Safe Statement

Coburg Special Developmental School is fully committed to being a child safe organisation and embedding a child safe culture into its practices. We want children to be safe, happy and empowered. We will work in partnership with our parents and community members to allow our students the ability to have their voices heard in decisions that affect their lives.

Coburg Special Developmental School has zero tolerance to child abuse, in all forms.

Coburg Special Developmental School supports and respects all children, regardless of their gender, age, race, religious beliefs, disability, sexual orientation, and is particularly committed to the safety of children with a disability, the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds.
